

CLEANWELL

HIGH PRESSURE CLEANING EQUIPMENT

CS

**COLD
PRESSURE
CLEANERS**

**Also available
in a Hot Water
version**

- ✔ Performances ranging from 1500 psi 100 bar to 3000 psi 200 bar in 110v, 240v, 415v
- ✔ This is built as cold water machine mounted on a heavy duty chassis, 2 x 10 inch wheels and fitted with a tubular frame for easy handling
- ✔ It's also available with the facility to supply it with hot water up to 85 degrees centigrade on selected models
- ✔ Fitted as standard with 24 volt control, anti leak detection and auto time delayed shut down at zero pressure which has proven to reduce maintenance costs by 75%
- ✔ To prolong the life of the chassis it is constructed of steel which is zintec coated with a polyester finish with a stainless steel cover. Also available in all Stainless Steel
- ✔ Long life, slow revving, industrial 1400 RPM electric motor coupled to a brass headed Interpump pump
- ✔ Supplied with 9m. high pressure hose, on/off gun, lance & nozzle
- ✔ Designed and manufactured by Cleanwell to comply with CE Legislation
- ✔ 1 Year warranty subject to conditions of sale
